

## LESSON 1

-Why am I talking with you?

-Do I want to hurt you?

-No.

-Do I want to hurt your family or your friends?

-No.

-Do I want to steal your land or your cattle?

-No.

-Why am I talking with you?

-I am talking with you for only one matter.

-I am here to tell you the most important message in the world.

-I am here to tell you God's message.

-I am not here to tell you the white man's message.

-I am not here to tell you the black man's message.

-I am here to tell you only God's message.

-If your chief called all of you together for an important message, would you come?

-Yes, you would come.

-Why would you come?

-Because the chief would have an important message to tell you.

-The chief's message is important, but there is a message which is even more important.

-Whose message is even more important than the chief's message?

-God's message.

-Whose message is the most important message in the world?

-God's message.

-Why is God's message the most important message in the world?

-Because only God has never lied.

-Because only God has always told the truth.

-Who among people has never lied?

-All people have lied.

-Who among you has never lied?

-All of you have lied.

-Even I have lied in the past.

-All white men have lied.

-All black men have lied.

-All people have lied.

-Who alone has never lied?

-God.

-Because God has never lied, God is the only One who can tell us the truth.

-Because God has never lied, God is the only One who can tell us the truth about God.

-Because God has never lied, God's message is the most important message in the whole world.

-For men, God's message is more important than working in the field.

-Why?

-Because only God's message can save all men from death.

-For women, God's message is more important than cooking food.

-Why?

-Because only God's message can save all women from death.

-For children, God's message is more important than playing.

-Why?

-Because only God's message can save all children from death.

-Where is God's message?

-God's message is in God's Book.

-What is the name of God's Book?

-The name of God's Book is the Bible.

-How did God's message get into God's Book?

-God was able to write His Book by Himself, but God did not do that.

-A long time ago, God chose some men, and put His words into these men's minds.

-Then, these men wrote God's words into God's Book.

-Did these men write their own words in God's Book?

-No.

-These men whom God chose did not write their own words.

-These men whom God chose only wrote God's words.

-These men whom God chose wrote God's words exactly as God told them.

-God chose some forty men to write His words into His Book.

-Did these men who wrote God's words all live at the same

time?

-No.

-These men who wrote God's words did not all live at the same time.

-How many years did it take to write all of God's words?

- It took 1,600 years for all of the men whom God chose to write His words.

-Who were these men whom God chose to write His words?

-The men whom God chose to write His words were Jews and a Greek man.

-In what language did these men write God's words?

-In the Jewish and in the Greek languages.

-Did these men write God's words in the English language?

-No.

-Did these men write God's words in the Spanish language?

-No.

-Did these men write God's words in the French language?

-No.

-These men wrote God's words in their own languages.

-Because the men that God chose to write His words were

Jews and a Greek man,

-These men wrote God's words in the Jewish and Greek languages.

-Later on, other men came into the land of the Jews, read God's words, and wrote them in their own languages.

-God's words have been translated into many languages of the world.

-God's words are now being translated into your language.

-How many of God's words in God's Book are true?

-All of them.

-Why are all of God's words in God's Book true?

-Because God never lies.

-Because God only tells the truth.

-Why can we believe all of God's words in God's Book?

-Because God never lies.

-Because God only tells the truth.

-Who is the only One who always tells the truth?

-God.

-I have read God's words in God's Book, and I know that all of God's words are true.

-If you listen to God's words, you will also know that all of God's words are true.

-This is because God never lies.

-This is because God only tells the truth.

-God has much to say to us.

-Therefore, it will take many days to teach you God's words.

-Here is an illustration:

-How many days does it take to learn how to farm?

-Many days.

-Why does it take many days to learn how to farm?

-Because there are many truths to learn about farming.

-You have to learn how to prepare the soil.

-You have to learn how to plant the seed.

-You have to learn how to cultivate the weeds.

-You have to learn how to harvest the crop.

-Just like it takes many days to learn how to farm, it takes many days to learn God's words.

-This is because there are many truths in God's words.

-If you listen to God's words for many days, you will learn many truths about God.

-Here is another illustration:

-Do you eat food every day?

-Yes.

-Why do you eat food every day?

-Because your body needs food every day.

-Just like your body needs food every day, you also need to listen to God's words every day.

-If you do not eat every day, what will happen?

-You will die.

-If you do not listen to God's words every day, you will also die.

-Why do some people not know God's message?

-Because these people refuse to listen to God's message.

-Because these people refuse to believe God's message.

-If you listen to God's words every day, you will be happy.

-If you do not listen to God's words every day, then you will be sad.

-I hope that you will come to listen to God's words every day.
