20. How does God live?

-By His own power.

-Why do you think that God does not need food to eat and water to drink?

-Because God does not have a body like people do.

-Why do you think that God does not need the sun to see?

-Here is an illustration:

-Can you see the wind?

-No.

-But is there wind?

-Yes.

-Just like you cannot see the wind, you cannot see God.

-But just like the wind exists, so God also exists.

-Even though you cannot see God, He is there.

-Where is God?

-Only God can tell us where He is.

-God says in His Book that He is everywhere.

-God says that He is everywhere at all times.

-God is in the sky.

-God is also on the earth.

-God is also in America right now.

-God is also in Asia right now.

-God is also in Europe right now.

-God is here right now.

-God is everywhere at all times.

-Can a person be in America and Africa at the same time?

-God can be everywhere at all times because God is spirit.

-God is everywhere at all times.

-If you go into your house, who is there with you?

-God.

-If you go into your field, who is there with you?

-God.

-If you go to visit your friend, who is there with you?

-God.

-God is everywhere at all times.

-God is everywhere.

-If we try to hide in the corner of our hut, can we hide from God?

-No.

God is everywhere.

-If we try to hide in the bush, can we hide from God?

-No.

-God is everywhere.

-Even if we try very much, we can never hide from God.

-Why?

-Because God is everywhere at all times.

-Some people think that God is everywhere because He runs to all places.

-This is not true.

-Some people think that God is everywhere because He has a big body that fills the earth.

-This is also not true.

-Some people think that God is everywhere because He sits down on the whole earth.

-This is also not true.

-God's Book says that God is spirit, and that He is everywhere at all times.

-There is no one like God.

-God is the only One who is everywhere at all times.

-Wherever we go, God is there.

-God can see us all the time.

-How many Gods are there?

-There is only one God.

-God says in His Book that He is One.

-God is One, and yet He is three Persons.

-Who are the three Persons who are one God?

-God the Father, God the Son, and God the Holy Spirit.

-God is God the Father.

-God is God the Son.

-God is God the Holy Spirit.

-God the Father, God the Son, and God the Holy Spirit are all equally God.

-As you learn more about God, you will understand that God is One, and yet He is three Persons.
